

Foundation for Community Development and Empowerment

Foundation for Community Development and Empowerment Partnership Application Form

Foundation for Community Development and Empowerment (FCDE) is an international non-governmental organization (NGO) that offers comprehensive capacity-building services to locally-based organizations in Uganda. Since 2012, FCDE has been serving our partners by providing technical training, individualized advising, intern placements, resource centers, and financial program support to local NGOs and community-based organizations (CBOs). Through long-term partnerships with local grassroots organizations, FCDE helps to enhance sustainable community development efforts where they are needed most. To learn more about FCDE, please visit our website at www.fcde-isa.org.

FCDE currently works with organizations located in either Kasese District or Rukungiri District in Uganda. We have seven focus areas: health and wellbeing; HIV-AIDS advocacy; peace and social justice; gender equality; small business and social enterprise development; environment (climate, clean water and sanitation, clean energy); and quality education and youth development. Local NGOs and CBOs working in these districts and issues areas are encouraged to apply for partnership.

The purpose of this application is to give potential partner organizations an opportunity to express their interest in partnership with FCDE, as well as an opportunity for FCDE to learn more about a potential partner. This is the initial step of FCDE's partnership assessment process where further visits, interviews, and reviews will help determine whether there's a mutual fit between organizations.

Interested organizations should email this completed form and all supporting documents to info@fcde-isa.org. FCDE selectively accepts new partners on a rolling annual basis. Due to the large volume of requests for partnership, we are unfortunately unable to respond to every application submission. You will be notified by FCDE if your application is chosen for further review. If you have any specific questions about how to complete this form, please feel free to email us at the address above or visit us at our offices.

Thank you for your interest in partnering with FCDE. We appreciate the opportunity to learn more about you!
